

**Lucy Zelman's Learning Center** provides a unique educational service that can help with most school related needs. It is our goal to work with individual students to help them reach their true potential. Our expert teachers foster good study habits and organization skills that can be applied to all learning situations. Routine is the secret. Proper study skills offer long-term benefits, such as self-motivation and improved self-esteem.

Lucy Zelman, M.Ed., received her undergraduate degree from NYU and a master's degree from Queens College. For over 40 years, Lucy has been involved in the field of education: facilitating, tutoring, and teaching in the classroom.

Jessica Zelman, M.S. Ed. received her undergraduate degree from FSU in Physics Education. She received a Master's of Science from UM in Emotional and Behavioral Disorders and Learning Disabilities. She has been teaching in the private and public sectors for over 15 years.

# Creating a new opportunity for your child to flourish...

Lucy Zelman's Learning Center is devoted to helping students become independent, organized self-motivated learners. We foster and mirror proper study and organizational skills in our homework-coaching program. During our individual sessions, study skills are stressed and provide the foundation for success in the specific subject area. Routine is the secret, and good study skills offer long-term benefits improving motivation and self-esteem.
